Dear Edgar,

I seem to be a long time getting around to my part of the family tree about which I really seem to know very little. I was very glad to hear from you and to know I have a cousin in Iowa.

Here is a synopsis of my knowledge: of relatives.

Jonathan Francis lived at Pakenham, a lumberman and farmer, had 5 children.

Allan lived at Renfrew. One daughter Margaret Isobel now Mrs. J.R. Morris of Leaurington, Ontario. Two children Margaret Isobel and Allan Francis.

Henry married Jean Bryson, lived at Indian Head, Sask. One son, Jonathan, farmer, Indian Head.

George married Maude Brayeau, lives in Ottawa, one daughter Margaret, married Vincent Heuey (Heuey ??).

Jonathan lives in Toronto, married Mary McCreary, three children, Jonathan, Jean and Mary all living at home.

Margaret, myself, living in Toronto, married Joseph Anderson, one son, Francis at home. I am also enclosing a bit more which Joe is drafting for me.

I was sorry to hear your Father has passed on he was a very fine man. It is also nice to hear about your Uncle Arthur. Joe was a head office official of the former Union Bank and is now a bank pensioner. I hope this information will assist you in completeing the "tree". If you are ever in Toronto be sure and look us up.

With every good wish,

C35-1117-1

*Yours sincerely,
Margaret Anderson*
